PRESCRIPTION/ FIELD TRIP

Dear Parent/Guardian:

Please be advised, before we administer medication we must have on file the Administering Medication at School form (one document per medication). You will have a few days to fill out the attached form and have your physician fill out his/her section and return it to us.

In the meantime, if you need to bring in the medication before the forms are completed, you will need to include a note from the parent/guardian, with the medications, stating: date, parent/guardian name, name of medication(s), student's name, and when they need to take it. Also, please check one of the following:

Child's Name _____

_____ Yes. My child needs his/her medication on field trips.

_____ No. My child does not need his/her medication on field trips.

Parent/Guardian Signature _____ Date _____

Please return this packet to the office as soon as possible.

If you have questions, please call the school office at 650-738-6650.
